

ARNADA NEIGHBORHOOD ASSOCIATION BUSINESS SPONSORSHIP PROGRAM

Being in the Arnada neighborhood is like stepping back in time to a small town of historic homes, friendly people, and a vibrant business area. One of the joys of Arnada is being able to walk or bike to anything you might need or want. Shopping, dining, entertainment, parks, brew pubs, bakeries, beauty, and services adorn Broadway and Main Street.

Arnada is one of Vancouver's oldest neighborhoods occupying approximately 55 square blocks. Characterized by historic homes and beautiful old trees, Arnada is more than just a neighborhood of almost 1500 people. It is the second largest of the four anchors of the Uptown Village along with the neighborhoods of Carter Park, Shumway, and Hough.

When you support the Arnada Neighborhood Newsletter you are telling the residents of Arnada and the businesses and families of the Uptown Village that you are proud to belong to this community.

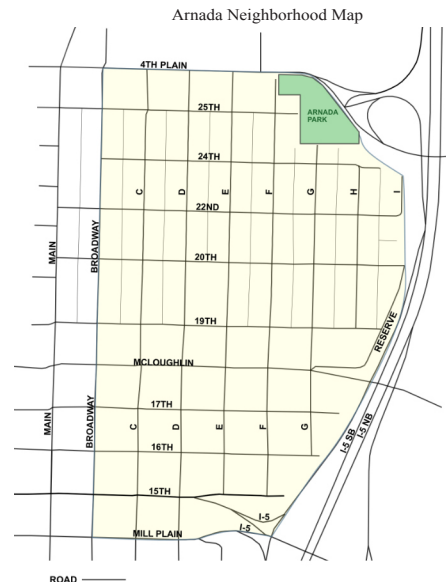

Your support does even more. When you advertise, your contribution helps fund community projects and events that help set us apart. Park clean-ups, local school programs, neighborhood picnics, park concerts, neighborhood art installations, tree planting, and mural repairs are just a few of the events financed by your business support.

The Uptown Village has a population of over 7,400 people. Look at any of the four neighborhoods and you will find educated, young professionals with an almost even split of men and women. About 45% of households are married and around a third are single adults. These are the demographics of socially engaged, outgoing adults with money to spend and enjoy doing just that.

Delivered monthly and available online, the Arnada Neighborhood Association newsletter is one way to show the people of Arnada and the Uptown Village that you support them and ask them to help support you. ***Sign up today for next month's newsletter.***
